#### MEMBERSHIP RENEWAL FORM C3 HIRE

PART 3

#### **Additional notes**

If your company does not meet the criteria for the membership category to which you are applying, the WJA Council may, as it deems fit place your company membership into the provisional category.

Should your company be deemed to require this provisional status, it will be reviewed on the final date of renewal for the purpose of upgrading your company to full membership status if it is warranted. If you believe you meet full membership requirements before the renewal date you should inform the WJA and provide evidence. The WJA will then review your company status and, if appropriate, upgrade it to full membership at that point.

The membership form provides details of the high standards of professionalism required of members of the WJA, including compliance with its codes of practice. If your application is accepted, you will have signed to agree to those standards as defined by the WJA Constitution and Byelaws, the WJA Professional Charter and the current WJA Codes of Practice.

The WJA may assist through its appointed officer (members of committees) to provide you with guidance and support in achieving the standards required. Some assistance will be provided free of charge.

However, if any appointed officer must travel or give up time to assist you in making your application, or to attend meetings specially related to your application, you will be charged for that time and whatever expenses that are incurred for travel and any overnight accommodation.

All details provided shall be based on a declaration of truth, integrity and honesty. Any shortfalls for membership shall be identified through the application process with the information provided in the application form. These details will provide the WJA and its appointed officer with the information needed to propose or deny membership. They may also allow the WJA and its appointed officer to provide guidance to assist in compliance or maybe subject to an on-site audit.

Please see the attached copy of the WJA constitution and byelaws. Having read these documents, you will be aware of the definition and expressions used and be familiar with the disciplinary procedures as stated in Appendix 2, which related to WJA membership and standards.

Please sign to acknowledge you understand the information provided above and its relevance to your application.
