

Water Jetting Association AGM & Awards Evening

This year's Water Jetting Association AGM will be accompanied by exciting afternoon activities and a special evening celebration.

It is an important opportunity for members to participate in a meeting that will report important information and make key decisions about how the WJA is governed.

There are options for member guests to enjoy the hotel's spa. Member representatives and guests can also select an exciting afternoon activity.

Then it will be time to celebrate all that's best about the UK water jetting industry when we announce the winners of the first ever WJA Awards 2026 during our gala dinner.

We're looking forward to welcoming you to this important and very enjoyable event!

Become a WJA Awards Sponsor

Position your brand at the heart of the WJA Awards. From powering the evening as a Drinks Sponsor, to owning an exciting moment as an Award Sponsor, your company will be featured across pre-event marketing and during the live event.

Ask the WJA team about our Drinks Sponsor and Award Sponsor packages.
